LETTER OF REFERENCE FOR FLOWERYHAZEL

Rathbones have had the pleasure of engaging the services of FloweryHazel's for a number of weeks and we cannot commend her enough. From her initial visit and assessment of our requirements to the delivery and maintenance of the finished product, she has truly transformed our reception with her stunning yet traditional fresh flower arrangements.

Hazel could not be more approachable and attentive to our needs. She ensures that her product is always in a first class condition, immaculately presented and excellent value for money. Her creative floristry and attention to detail has gleaned Hazel a huge amount of admiration from both our visitors and members of staff.

In addition to the providing fresh flowers in our reception, Hazel has made bespoke arrangements to enhance our office during a recent visit by Her Excellency the Ambassador of Sweden and she regularly provides individual bouquets as gifts on request.

During our short relationship with FloweryHazel she has cultivated a well deserved excellent reputation and I have no hesitation in recommending her services to other corporate establishments and individuals.

Rathbones would welcome any visit to our reception to view FloweryHazel's arrangements and I would be happy to provide any further information on request

Yours faithfully,

Tom Evans
